NOI Supplement A

For Area Wide Permit Coverage Under AZPDES Pesticide General Permit AZG2011-001

INSTRUCTIONS: This form is to be used as a supplement to the Pesticide General Permit, Notice of Intent (NOI) for Area Wide discharges. Do not submit this form without a completed NOI. The Decision Maker must complete this form for Area Wide discharges by providing the required information for each additional receiving water (continued from NOI Section F) classified as aquatic and wildlife (warm or cold water), effluent dependent, impaired, or Outstanding Arizona Water that the operator intends to discharge pesticides to; and for discharges that are subject to specific approval. Use as many copies of this form as necessary to identify each of these receiving waters to be covered under your PGP authorization.

Additional Locations and Receiving Waters (continued from NOI Section F)**:**

#___. Name of Receiving Water: _____
