

## Water Quality Assurance Revolving Fund (WQARF) Site Community Informational Meeting Miller Valley Road and Hillside Avenue

The Water Quality Assurance Revolving Fund (WQARF) program, also called State Superfund, supports ADEQ in identifying, prioritizing, assessing and resolving the threat of contaminated soil and groundwater sites in Arizona. The program conducts statewide efforts using state funds and oversees privately funded cleanups as well. Miller Valley Road and Hillside Avenue was recently added to the WQARF Registry, a list of sites that may pose a risk to public health or the environment, due to contaminants detected in groundwater at the site.

Please join us and find out more about the Miller Valley Road and Hillside Avenue WQARF site, meet those involved and find out how you can get involved.
