

**NOTICE OF AVAILABILITY 16TH STREET AND CAMELBACK
WATER QUALITY ASSURANCE REVOLVING FUND (WQARF) SITE
FEASIBILITY STUDY (FS)**

The Arizona Department of Environmental Quality (ADEQ) has completed the feasibility study (FS) for the 16th Street and Camelback Water Quality Assurance Revolving Fund (WQARF) site in Phoenix Arizona. An FS is conducted to identify a reference remedy and alternative remedies that appear to be capable of achieving established remedial objectives and to evaluate them based on the comparison criteria to select a remedy.

The 16th Street and Camelback WQARF site consists of plumes located in Phoenix. The plumes are bounded approximately by Camelback Road to the north, Highland Avenue to the south, 17th Street to the east, and 15th Street to the west. Contaminants of concern at the site are tetrachloroethene, 1,2-dichloropropane and 1,2-dichloroethane.

The FS is available online at: http://www.azdeq.gov/environ/waste/sps/16th_Street_Camelback.html, and at the ADEQ Records Center, 1110 W. Washington St., Phoenix, (602) 771-4380, or (800) 234-5677, ext. 6027714380; please call for hours of operation and to schedule an appointment.

To request an auxiliary aid or service for accessible communication, please contact Alicia Pollard at (602) 771-4791 or at aap@azdeq.gov or dial 7-1-1 for TTY/TTD Services.

Dated this 2nd day of July, 2015
Kevin Snyder, ADEQ Project Manager
