RE: Copper World Project – Class II Air Quality Control Permit Application No. 96659 – Updates to Dust Control Plan and Tailings Dust Management Plan

Dear Mr. Vaidyanathan

This letter transmits an updated Dust Control Plan (DCP) and Tailings Dust Management Plan (TDMP) for the Copper World Project (CWP) based on the draft Class II Air Quality Control Permit. Updates to the monitoring and reporting components were made as well as some consistency edits between the two plans.

Please do not hesitate to contact me at (520) 495-3527 (office), (520) 260-3490 (cell) or via e-mail at [david.krizek@hubbayminerals.com](mailto:david.krizek@hubbayminerals.com) if you have any questions regarding this submission.

Sincerely,

David Krizek, P.E.

Senior Manager, Environmental & Permitting

Attention: Mr. Jeff Christensen, Permit Engineer, ADEQ
