Be a Champion for our Idle Reduction Program

Reducing idling can:
- Make the air cleaner in our community.
- Reduce wear-and-tear on our school bus engine.
- Help everyone breathe easier!

Help even more!
- Ask friends and family to reduce idling their vehicles
- Suggest best practices to your supervisor
- Share best practices with other bus drivers and school districts

Scan for more information

For a fleet of 50 buses, reducing idling by 10 minutes a day can prevent nearly 100 pounds of harmful emissions during the school year
