Project Information

Your grant application package must include the following information to assist ADEQ in determining the initial eligibility of your project for an environmental site assessment (ESA) or for a clean- up grant. Provide the following information in a typed narrative of no more than five pages.

- 1 Cover letter requesting SRG funding to perform a Phase I or Phase II ESA or clean-up activities.
- 2 Requested funding amount.
- 3 Description of how grant funding will be used (list properties to be included in the project).
- 4 General description of the property (current owner, location, acreage, and past, current and future use).
- 5 If applicable, list anticipated sources of funding to be used for purchasing and developing the site.
- 6 If possible, sources and amounts of funding already expended on the site.
7. If the applicant is to manage the project instead of ADEQ, include the name of the applicant's project. manager, title, address, and a brief description of their qualifications to manage the project.
8. If applicable, documentation of intent to purchase and develop the project site.
9. Identify any development activities within the area that may include the site or surrounding properties.
10. Documentation of site access to accomplish the on-site work.
11. Benefits of site re-development to the public.
12. Statement as to whether the site is located in WQARF or Superfund areas.
13. If a Phase II SA or clean-up is conducted, list past, current, and/or future community outreach activities involving the site.
14. Applicant's key contact person to receive site updates and correspondence from ADEQ.
15. Site parcel map.
16. ProcureAZ Vendor Number. *If you need to register, please go to: <https://procure.az.gov.bso/>
