

NOTICE OF TERMINATION (NOT) for Pesticides Application Activity Discharges to Protected Surface Waters

Submission of this NOT constitutes notice that the party identified on this form is terminating coverage under the AZPDES Pesticide General Permit (PGP). Authorization for pesticides application activity discharges directly to, over, or near protected surface waters terminates at midnight on the day the NOT is received by ADEQ. **To terminate your project, mail a complete and accurate NOT to:**

Arizona Department of Environmental Quality
PO Box 18228
Phoenix, Arizona 85005

I. PERMITTEE INFORMATION

AZPDES Pesticides Application Authorization Number: _____

Name of Operator (Decision Maker) on Notice of Intent (NOI): _____

Operator Business / Agency: _____

Mailing Address: _____

City: _____ State: _____ Zip: _____ Phone: _____

II. PROJECT NAME / DISCHARGE ACTIVITY: _____

III. REASON FOR TERMINATING COVERAGE: (Check as applicable)

_____ All pesticide discharge activities authorized under the AZPEST number listed in Section I of this Notice of Termination have ceased and are not expected to resume. If pesticide discharge activities resume, I understand I must submit a new Notice of Intent (if required).

_____ Permit coverage for the pesticide discharge activity has been obtained under an individual permit or alternative general permit. Provide new permit authorization number: _____

_____ A new operator has taken over decision-making responsibility for the pesticide application activities. Provide the following information:

New Operator's Authorization Number: _____

Transfer Date: _____

IV. CERTIFICATION BY AUTHORIZED SIGNATORY

"I certify under penalty of law that all pesticides application activity by the identified facility that is authorized by a general permit has been eliminated or that I am no longer the operator of the facility or pesticides application site. I understand that by submitting this Notice of Termination, I am no longer authorized for pesticides application activity under this general permit, and that discharging pollutants associated with pesticides application activity directly to, over, or near waters of the United States is unlawful under the Clean Water Act where the discharge is not authorized by an AZPDES permit. I also understand that the submittal of this Notice of Termination does not release an operator from liability for any violations of this permit or the Clean Water Act."

Printed Name: _____ Title: _____

Signature: _____ Date: _____

Business / Agency: _____

Address (if different from above): _____
