REPORTING REQUIREMENTS

Pursuant to Arizona Revised Statutes (A.R.S.) §49-802(C)(3), if your company engaged in any of the used oil marketing activities identified in Arizona during a calendar quarter, you are required to submit a quarterly used oil processor report to ADEQ by the 30th day following the end of the calendar quarter to which the report applies (i.e., April 30th, July 30th, October 30th, or January 30th). A separate report form must be completed and submitted for **each** used oil marketing facility. If your company **no longer** markets used oil in Arizona, please contact ADEQ.

These instructions have been developed to help you complete and submit your quarterly used oil marketer report form(s). You may use this form, or develop your own form, so long as the information provided thereon and the order in which it appears matches that for ADEQ's form. If you complete the form by hand, please print legibly.
