Important Reminders:

- ADEQ will use the information submitted to contact the Purchaser and verify the information provided.
- The Seller (Transferor) will remain the UST owner of any UST(s) of record until another entity (e.g. Purchaser) meets the definition of an UST owner under A.R.S. § 49-1001.01 [e.g. either places or dispenses fuel from the UST(s)]. Until a new entity becomes the UST owner of record, the Seller must continue to comply with associated regulatory requirements, which includes the responsibility of paying taxes, fees, and maintaining compliance with financial responsibility and UST operations.
- The responsibility for the investigation and cleanup of contamination associated with a release from a UST system that has occurred during operation of an UST system is not transferrable, even if UST ownership has changed.
