## UNDERGROUND STORAGE TANK TAX REFUND REQUEST CLAIM REQUIREMENTS

Any person who pays the tax but is not liable for the tax under Arizona Revised Statue Title 49, Chapter 6 may claim a refund of the tax paid. A claim for a refund shall be submitted on the [Underground Storage Tank Tax Refund Request Form](#). If the Department determines that a person claiming a refund is entitled to the refund, the Department shall issue a refund. Any person eligible to claim a refund of the tax may [assign](#) the claim to the person from whom the regulated substance was purchased.

Any person submitting a claim for a refund, must submit the following:

1. A completed [Underground Storage Tank Tax Refund Request Form](#).
2. Invoice showing the tax billed
  - Submit clean, readable invoices (no more than 30 invoices per claim) clearly showing the UST tax of .01 per gallon has been charged. The invoices must also show vendor name, facility location, invoice number, invoice date and total fuel purchased for each product. **PDF or electronic copies are acceptable.**
3. Supporting documentation showing tax paid
  - Submit proof of payment showing the supplier was paid for each invoice via an accounting EFT transaction report. The report should clearly display the invoice number, transaction date and amount paid. Highlight the tax paid on the EFT transaction report in order to assist in processing your claims in a timely manner.
4. If a facility has both underground and aboveground (or vaulted tanks) that contain the **same** product, you must submit a **3<sup>rd</sup> party report**. The 3<sup>rd</sup> party report must show the contact name and phone number of the entity supplying the report on their company letterhead. The 3<sup>rd</sup> party report must also display the invoice number, delivery date, product type and number of gallons purchased in the exempt tank. Highlighting these on the report may expedite the claim processing.

**Please be advised that incomplete forms and/or lack of required additional documentation will result in the claim being returned to the submitter.**
