The new base delegation agreement (pages 1-7) is the same agreement for all the Local Authorities (LAs). Below is a brief explanation of the changes made (as compared to the previous version), excluding grammatical changes:

- Section B (Standards of Performance) paragraph 2, on page 2: The mandated requirement that ADEQ would invite LA personnel to attend internal compliance and enforcement training that would be offered twice a year is deleted. The delegation agreement still provides for training at the LA's request.
- Section E (Record Keeping and Reporting Requirements) paragraph 1, on page 3: Record retention time was tied to the expiration of the delegation agreement, which now will not be for over 35 years. The LA now will retain records related to a dispute or appeal for ten years instead of five, measured from the resolution of the action.
- Section F (Oversight Activities) paragraph 2, on page 3: The frequency of evaluation is now periodically, with the option to increase.
- Section G (Delegation of Enforcement Authorities; Local Agency Obligations) Paragraph 9, on page 5: The 30-days prior written notice to LA when executing a compliance initiative at certain classes of violations or facilities is deleted.
- Section I (Licensing Authority) paragraph 1, on page 5: The citation to A.R.S. § 49-471.13 (in the County Air Pollution Control statutes) is redundant with the time-frames language in the Air Quality Appendix C and is deleted.
- Section L. (Amendment and Termination Procedures) Paragraph 1, on page 6: The requirement to file an amendment with the Secretary of State's office is deleted as it is not a requirement under the delegation statutes.
- Section M (Term of Agreement) on page 7: A.R.S. § 41-1081 states that delegation agreements must contain "the term of agreement". The new expiration term will be June 30, 2050.
