

Professional development hours (PDHs) involve participation in an organized educational activity related to engineering, biological or chemical sciences, a closely related technical or scientific discipline, or operations management. By watching ADEQ recorded resources, you can earn up to 10 PDHs towards your renewal. Once you have up to 10 PDHs, upload this log to your Portal (Add PDHs). Note: You can also use this log to track your non-ADEQ PDHs but certificates and proof of attendance from third party workshops will still need to be uploaded to the Portal. Send questions to the Op Cert team at azopcert@azdeq.gov or call us at 602-771-0100.
