**RE: AAC SECTION R18-8-264 INCORPORATING 40 CFR 264 HAZARDOUS WASTE
TSDF APPLICATION FOR CS CLEAN SOLUTIONS, INC., 2453 WEST PARKSIDE
LANE, SUITE 150, PHOENIX, ARIZONA
(HRP # CSC0016.RC)**

To Whom It May Concern:

Please find attached one electronic copy of the permit submittal package prepared on behalf of CS Clean Solutions, Inc. (CS Clean) for the proposed Cleansorb Columns Decontamination and Regeneration Process for implementation of a Transfer, Storage, and Disposal Facility (TSDF) for hazardous waste at CS Clean's Phoenix, Arizona location. Pursuant to requirements for permitting a hazardous waste TSDF, the permit renewal submittal package specifically includes the following components:

- Completed application forms (U.S. Environmental Protection Agency (EPA) Forms 8700-12 and 8700-23, Permit Application Form, Character/Background Reference Form, and Key Employee Form),
- Complete application package that includes all required attachments and supporting documentation,
- Applicable environmental health and safety standard operating procedures (SOPs), and
- Supporting information and design drawings.

Should you have any questions or concerns with the permit submittal package or any of the included supporting documents, please feel free to contact HRP Associates, Inc. (HRP) at (860) 674-9570.

Sincerely,
HRP Associates, Inc.
