## **Administrative Record A.A.Sydcol Waste Transfer Facility - AZR 000 520 304 Arizona Hazardous Waste Management Act Permit License Timeframes (LTF) Number 92113**

Pursuant to the A.A.C. R18-8-271.I (D)(1)(vii), a copy of the Arizona Hazardous Waste Management Act (AHWMA) and federal Resource Conservation and Recovery Act (RCRA) permit application, draft permit, and additional relevant documents shall be made available for public review during the public comment period for the above-referenced facility. This collection of documents will be hereinafter referred to as the "Administrative Record."

The Administrative Record includes documents in the A.A.Sydcol, LLC correspondence files in Arizona Department of Environmental Quality's (ADEQ's) Records Center, as well as other documents generally available to the public through ADEQ or the United States Environmental Protection Agency (U.S. EPA). These documents are either attached or may be incorporated by reference. As noted below, other records on this facility may be found at the ADEQ Records Center Office, 1110 West Washington Street, Phoenix, Arizona; Monday through Friday from 8:30 a.m. to 4:30 p.m., excluding state holidays. To arrange an appointment to review this record at ADEQ, contact the ADEQ Records Center at (602) 771-4380 or email [recordscenter@azdeq.gov](mailto:recordscenter@azdeq.gov)

The administrative record for the Draft Permit is divided into three directories: 1. Relevant information, 2. Permit Application, and 3. Draft Permit.

### 1. Relevant Information

- a. The Public Notice and the Fact Sheet for the Draft Permit (English and Spanish);
- b. Mailing List — ADEQ Mailing List, including local, state, and federal officials, and owners of property located on unincorporated property within three miles of the facility boundary, or owners of property located on incorporated property within 300 feet of the facility boundary;
- c. ADEQ facility inspections of AASydcol, dated 08/01/18 and 10/15/20;
- d. Documentation from the pre-application public meeting dated July 9, 2015;
- e. ADEQ Correspondence, including pre-application correspondence, administrative reviews, and substantive reviews of the permit application;
- f. Guidance documents, including relevant guidance from the U.S.EPA, other federal agencies, and ADEQ.

2. Permit Application, originally filed November 20, 2021, with updates through June 9, 2022.

3. Draft Arizona Hazardous Waste Management Act Permit, also known as the "Draft Permit".
