

**NOTICE OF HAZARDOUS SUBSTANCE LISTING AND AVAILABILITY
WATER QUALITY ASSURANCE REVOLVING FUND (WQARF)
REMEDIAL INVESTIGATION AND FEASIBILITY STUDY**

The Arizona Department of Environmental Quality (“ADEQ”) has placed the Stone Avenue and Grant Road site on the WQARF registry as of January 20, 2017, pursuant to Arizona Revised Statute (A.R.S.) §289.01, will be performing a remedial investigation and feasibility study and has provided notice as per A.R.S. §289.02.

The Stone Avenue and Grant Road site in Tucson is bounded by East Alturas Street to the north, East Sahuaro Street to the south, North Estrella Avenue to the east, and North Castro Avenue to the west. The boundaries described are intended to provide the public with the basic information regarding the estimated geographic extent of the currently known contamination. The actual extent of the contamination may differ; therefore the geographic boundaries may change as new information becomes available.

The site score is 45 out of 120. The site score is based upon a review of available information regarding the presence of hazardous substances at the site. The scoring of a site, its relative score, or its placement on the registry does not necessarily represent a determination that the release of a hazardous substance from the site poses a threat to human health or welfare or the environment. The contaminant of concern is tetrachloroethene.

Pursuant to A.R.S. §49-287.03, ADEQ has developed a fact sheet, a community involvement plan outline and a scope of work for the remedial investigation and feasibility study at the site. These documents are available for public inspection. Any person, by agreement with the department, may develop and implement a work plan for the remedial investigation and the feasibility study. Any person who wishes to enter into an agreement can contact the project manager William Ellett at wje@azdeq.gov.

A public meeting may be held if significant interested exists. Copies of the fact sheet, scope of work, community involvement plan outline and other documents related to the site is available online at: <http://www.azdeq.gov/stone-and-grant> and at the ADEQ Records Center, 1110 W. Washington St., Phoenix, (602) 771-4380, or (800) 234-5677, ext. 6027714380; please call for hours of operation and to schedule an appointment.

Dated this 13th day of June, 2017
William Ellett, ADEQ Project Manager

ADEQ will take reasonable measures to provide access to department services to individuals with limited ability to speak, write, or understand English and/or to those with disabilities. Requests for language interpretation services or for disability accommodations must be made at least 48 hours in advance by contacting: 7-1-1 for TDD; (602) 771-2215 for Disability Accessibility; or Ian Bingham, Title VI Nondiscrimination Coordinator at (602) 771-4322 or idb@azdeq.gov.

ADEQ tomará medidas razonables para proveer acceso a los servicios del departamento para personas con capacidad limitada para hablar, escribir o entender Inglés y / o para las personas con discapacidad. Las solicitudes de servicios de interpretación del lenguaje o de alojamiento de discapacidad deben hacerse por lo menos 48 horas de antelación poniéndose en contacto con Ian Bingham, Title VI Nondiscrimination Coordinator al (602) 771-4322 o idb@azdeq.gov.
