16TH STREET AND CAMELBACK
WATER QUALITY ASSURANCE REVOLVING FUND (WQARF) SITE
PROPOSED REMEDIAL ACTION PLAN (PRAP)**

The Arizona Department of Environmental Quality (ADEQ) has completed the proposed remedial action plan (PRAP) for the 16th Street and Camelback Water Quality Assurance Revolving Fund (WQARF) site in Phoenix, Arizona [Arizona Administrative Code R18-16-408(C)]. The PRAP documents the results of the remedial investigation/feasibility study (RI/FS) and identifies the proposed remedy and its estimated costs.

The 16th Street and Camelback WQARF site consists of a plume located in Phoenix. The plume is bounded approximately by Camelback Road to the north, Highland Avenue to the south, 17th Street to the east, and 15th Street to the west. Contaminant of concern at the site is tetrachloroethene (PCE).

The proposed remedy for the site is monitored natural attenuation (MNA). MNA is a remedial measure that involves routine groundwater sampling and analysis to monitor the results of one or more naturally occurring physical, chemical, or biological processes that reduce the mass, toxicity, volume, or concentration of chemicals in groundwater. This remedial measure requires groundwater monitoring over a period of years to verify that attenuation is occurring and to ensure that progress is made in terms of meeting the remedial objectives. When the contaminant of concern is less than the Aquifer Water Quality Standard (AWQS) of 5 micrograms per liter ($\mu\text{g/L}$) wells will be abandoned and the site delisted. The estimated cost to implement this remedy is approximately \$354,747 for a period of 12 years. Previous costs accrued by ADEQ total \$834,090.91.

The PRAP and RI/FS reports are available for review online at: <http://www.azdeq.gov/node/889>, and at the ADEQ Records Center, 1110 W. Washington St., Phoenix, (602) 771-4380, or (800) 234-5677, ext. 6027714380; please call for hours of operation and to schedule an appointment.

PARTIES WISHING TO SUBMIT WRITTEN COMMENTS regarding the PRAP for the 16th Street and Camelback WQARF site may do so to ADEQ, Attention: Kevin Snyder, Waste Programs Division, 1110 W. Washington St., Phoenix, AZ 85007 or kcs@azdeq.gov and reference this listing. Additionally, a Community Advisory Board (CAB)/public meeting will be held during the comment period at which time interested parties will be given an opportunity to comment on the PRAP. CAB meeting information will be sent to the site mailing list and posted on the ADEQ website. All comments received will be compiled in a responsiveness summary to be included in the record of decision for the site. **Comments must be postmarked by November 2, 2016.**

To request an auxiliary aid or service for accessible communication, please contact ADEQ at (602) 771-4791 or at Hrhelp@azdeq.gov or dial 7-1-1 for TTY/TTD Services.
