

## **NOTICE FOR SOLICITATION OF WRITTEN PUBLIC COMMENTS**

The Colorado River Basin Salinity Control Forum is seeking written public comments on the draft “2017 Review, Water Quality Standards for Salinity, Colorado River System” through August 25, 2017. A link to this document has also been placed on the [Forum’s home page](#) in the “News and Events” section. ADEQ anticipates incorporating the final version of this updated document by reference as part of its current Triennial Review.

Written comments on the draft can be provided to:
