

Air Quality Division State Implementation Plan Revision Public Comment Period and Hearing

The Air Quality Division of the Arizona Department of Environmental Quality (ADEQ) welcomes comments on the proposed State Implementation Plan Revision: New Source Review – Municipal Incinerators and Inter-Precursor Trading. The proposed revision is to make two changes to Arizona Department of Environmental Quality's (ADEQ) EPA-approved New Source Review (NSR) program: 1) amend the capacity threshold used to determine whether municipal incinerators are subject to major NSR (the "MI capacity threshold"); and 2) eliminate inter-precursor trading (IPT) for ozone precursor offsets. ADEQ is requesting the U.S. Environmental Protection Agency approve the proposed plan as a revision to the Arizona SIP.

Comments will be accepted between October 11, 2022 and November 10, 2022. Comments may be mailed or emailed to Zachary Dorn, Air Quality Division, Air Quality Improvement Planning Section, Arizona Department of Environmental Quality, 1110 W. Washington St., Phoenix, AZ 85007; email dorn.zachary@azdeq.gov. ADEQ will address comments applicable to the proposed SIP revision.
