

NOTICE OF INTENT (NOI)

for Arizona Pollutant Discharge Elimination System (AZPDES) Small Municipal Separate Storm Sewer System (MS4) General Permit (AZG2016-002)

Regulated small Municipal Separate Storm Sewer Systems (MS4s) must submit a Notice of Intent (NOI) to the Arizona Department of Environmental Quality (ADEQ) to obtain MS4 general permit coverage. Permittees must complete a NOI form and submit the original, ink-signed document to the address below:

Arizona Department of Environmental Quality
Surface Water Section/ Stormwater & General Permits Unit (5415A-1)
1110 West Washington Street
Phoenix, AZ 85007

A. SMALL MS4 INFORMATION

Legal Name of Municipality or Organization:

Town of Queen Creek

Choose one:

Existing Permittee

New Permittee

Operator Type:

Town

Mailing Address:

22358 South Ellsworth Road

County:

Maricopa

City:

Queen Creek

State:

AZ

Zip Code:

85142

Latitude/ Longitude at approximate geographic center of MS4 (D/M/S):

33.14'40" 111.38'05"

B. PRIMARY MS4 PROGRAM MANAGER CONTACT PERSON

Name:

Ramona Simpson

Title:

Environmental Programs Supervisor

Department:

Public Works

Mailing Address:

22358 South Ellsworth Road

City:

Queen Creek

State:

AZ

Zip Code:

85142

Phone Number:

480-358-3831

Fax Number:

480-358-3001

Email Address:

ramona.simpson@queencreek.org

Has another governmental entity agreed to satisfy any of your permit obligations?

Yes

No

If "yes" to the above question, name the other governmental entity and describe the agreement(s) between entities:

STORMWATER

MAR 27 2017

RECEIVED

C. BILLING INFORMATION		
Same as Primary MS4 Program Manager Contact Person Information? If "yes," proceed to Section D.	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No

D. ENFORCEMENT AUTHORITY OR OTHER MECHANISM		
Illicit Discharge Detection and Elimination (IDDE) Enforcement Authority or other mechanism established?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
<p>Describe IDDE Enforcement Authority or other mechanism: The Town has the ability to use various ordinances outlined in Town Code as regulatory mechanisms. These documents are being reviewed to determine if they satisfy the Permit requirements as described in Section 3.1 of the Permit.</p> <ul style="list-style-type: none"> Town Code, Chapter 4 - Police Department Town Code, Chapter 5 - Municipal Court Town Code, Chapter 7 - Buildings and Building Regulations Town Code, Chapter 8 - Business Regulations Town Code, Chapter 9 - Offenses Town Code, Chapter 10 - Health & Sanitation Town Code, Chapter 14 - Streets and Sidewalks Town Code, Chapter 15 - Parks and Recreation <p>The Town may also use the following Arizona Statutes as regulatory mechanisms:</p> <ul style="list-style-type: none"> Sections from Arizona Statute, Title 13, Section 13-1603(A)(2) of the Criminal Code Title 49 of the Environmental Code, Chapter 2, Article 4, Sections 49-261, 262, 263, and 263.01 Title 49 of the Environmental Code, Chapter 5, Article 2, Sections 49-923, 924, and 926 		
Name of Enforcement Authority or other mechanism: Code Enforcement Officer/Building Official	Effective Date or Estimated Date of Adoption: 9/30/2018	
Construction Site Stormwater Runoff Enforcement Authority or other mechanism established?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
<p>Describe Construction Site Stormwater Enforcement Authority or other mechanism: The Town has the ability to use various ordinances outlined in Town Code as regulatory mechanisms. These documents are being reviewed to determine if they satisfy the Permit requirements as described in Section 3.1 of the Permit.</p> <ul style="list-style-type: none"> Town Code, Chapter 4 - Police Department Town Code, Chapter 5 - Municipal Court Town Code, Chapter 7 - Buildings and Building Regulations 		

- Town Code, Chapter 8 - Business Regulations
- Town Code, Chapter 9 - Offenses
- Town Code, Chapter 10 - Health & Sanitation
- Town Code, Chapter 14 - Streets and Sidewalks
- Town Code, Chapter 15 - Parks and Recreation

The Town may also use the following Arizona Statues as regulatory mechanisms:

- Sections from Arizona Statute, Title 13, Section 13-1603(A)(2) of the Criminal Code
- Title 49 of the Environmental Code, Chapter 2, Article 4, Sections 49-261, 262, 263, and 263.01
- Title 49 of the Environmental Code, Chapter 5, Article 2, Sections 49-923, 924, and 926

Name of Enforcement Authority or other mechanism:
Code Enforcement Officer/Building Official

Effective Date or Estimated Date of Adoption:
9/30/2018

Post-Construction Stormwater Management Enforcement Authority or other mechanism established?

Yes

No

Describe Post-Construction Enforcement Authority or other mechanism:

The Town has the ability to use various ordinances outlined in Town Code as regulatory mechanisms. These documents are being reviewed to determine if they satisfy the Permit requirements as described in Section 3.1 of the Permit.

- Town Code, Chapter 4 - Police Department
- Town Code, Chapter 5 - Municipal Court
- Town Code, Chapter 7 - Buildings and Building Regulations
- Town Code, Chapter 8 - Business Regulations
- Town Code, Chapter 9 - Offenses
- Town Code, Chapter 10 - Health & Sanitation
- Town Code, Chapter 14 - Streets and Sidewalks
- Town Code, Chapter 15 - Parks and Recreation

The Town may also use the following Arizona Statues as regulatory mechanisms:

- Sections from Arizona Statute, Title 13, Section 13-1603(A)(2) of the Criminal Code
- Title 49 of the Environmental Code, Chapter 2, Article 4, Sections 49-261, 262, 263, and 263.01
- Title 49 of the Environmental Code, Chapter 5, Article 2, Sections 49-923, 924, and 926

Name of Enforcement Authority or other mechanism:
Code Enforcement Officer/Building Official

Effective Date or Estimated Date of Adoption:
9/30/2018

E. MAPPING COMPONENTS

1. Stormwater Sewer Mapping (including roads with drainage system, municipal streets, catch basins, curbs, gutter, ditches, man-made channels, or storm drains that are owned or operated by the permittee and convey stormwater to Waters of the US)

Percent Complete at time of NOI submission
60%

If 100% of requirements are NOT met for an existing permittee and for all new permittees, include a timeline, measurable goals, and estimated date of completion (MM/YY) for Stormwater Sewer Mapping:
09/30/2020

2. Outfall Mapping

Percent Complete at time of NOI submission
90%

If 100% of requirements are NOT met for an existing permittee and for all new permittees, include a timeline, measurable goals, and estimated date of completion (MM/YY) for Outfall Mapping:
9/30/2020

3. Identification of Receiving Waters (names and locations of all the Waters of the US that receive discharge from those outfalls)	Percent Complete at time of NOI submission 100%
--	---

If 100% of requirements are NOT met for an existing permittee and for all new permittees, include a timeline, measurable goals, and estimated date of completion (MM/YY) for Receiving Water Identification:

F. SUMMARY OF RECEIVING WATERS

Does the MS4 have outfalls that discharge to Waters listed in A.A.C. R18-11 Article 1, Appendix B?	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No
--	---	-----------------------------

If "yes" the MS4 discharges to receiving water(s) listed in A.A.C. R18-11 Article 1, Appendix B, then the following section must be completed. If "no" discharges occur to receiving water(s) listed in A.A.C. R18-11 Article 1, Appendix B, then the following section does not need to be filled out, proceed to Section G. If you answer "yes," the receiving water segment is Impaired, Not-Attaining or an Outstanding Arizona Water (OAW), you must also complete Part H.3- Impaired, Not-Attaining and OAWs and BMPs.

Identify Appendix B surface water(s) that receives discharge(s) from the MS4	Number of outfalls discharging to receiving water?	Is the receiving water listed as an Impaired, Not-Attaining or OAW (choose one)?	List Pollutant(s) causing the Impairment(s):	Does the receiving water have a TMDL?

G. STORMWATER MANAGEMENT PROGRAM (SWMP) SUMMARY

G-1. MCM 1: Public Education and Outreach

For MCM 1- Public Education and Outreach, use the pull down menu to indicate the BMP Category (column 1). You may override the selection and type in your own BMP. Include a brief description of the BMP (column 2) including the personnel position or department(s) responsible. Describe the Measureable Goals (column 3) for each BMP, including the targeted audience such as commercial, construction, industrial or residential for MCM 1. Column 3 should include milestones, timeframes and frequencies. Insert the month and year (MM/YY) in the Start Date (column 4) to indicate the date the BMP was initiated or enter your own text to override the selection.

BMP Category (enter your own text to override the drop down menu)	BMP Description (include personnel position or department responsible)	Measurable Goals (include milestones, timeframes and frequencies) and include the Targeted Audience	Start Date (MM/YY) (enter your own text to override the drop down menu)
Press Release	Town staff will use the Town website, social media, and water bill inserts to distribute information on the stormwater program	Availability of the Draft SWMP will be announced through the appropriate media outlets and the public will have an opportunity to comment on the SWMP on an annual basis.	06/17
Webpage	The Town website will be used to to inform the public about the SWMP and the stormwater program by providing information on various aspects of stormwater pollution prevention and other topics related to the SWMP	Town staff will develop a stormwater page on the Town's website and update the website as appropriate on a regular basis. Town staff will track these changes and report in the Annual Report	08/17
Outreach Materials	Town staff will work with regional and state stormwater programs (STORM and AZWater) to research and develop educational materials on stormwater pollution prevention and develop appropriate materials for dissemination to the public.	Town staff will review materials from programs and other agencies on an ongoing basis and will update information for distribution.	09/16

MCM 1: Public Education and Outreach

Use this space to add any additional information for MCM1:

G-2. MCM 2: Public Involvement and Participation

For MCM 2- Public Involvement and Participation, use the pull down menu to indicate the BMP Category (column 1). You may override the selection and type in your own BMP. Include a brief description of the BMP (column 2) including the personnel position or department(s) responsible. Describe the Measureable Goals (column 3) for each BMP. Column 3 should include milestones, timeframes and frequencies. Insert the month and year (MM/YY) in the Start Date (column 4) to indicate the date the BMP was initiated or enter your own text to override the selection.

BMP Category (enter your own text to override the drop down menu)	BMP Description (include personnel position or department responsible)	Measurable Goals (include milestones, timeframes and frequencies)	Start Date (MM/YY) (enter your own text to override the drop down menu)
Public Involvement	Town staff will provide a Draft of the SWMP and the NOI on the Town's website and make it available for the public to comment and participate in the SWMP development.	Comments received on the SWMP and any actions incorporated into the SWMP will be documented and recorded in the Annual Report	08/17
Public Participation	Clean up Activities	The Town will support cleanup activities to allow citizens the opportunity to clean up the watershed and washes. The program will utilize existing programs with boy scout troops and religious groups to enhance the clean ups and maximize participation. The number of events will be documented in the Annual Report.	10/16
Public Participation	Trash Collection and Recycling Programs	To minimize trash accumulation in the Town washes, Town staff will continue to implement and document trash cleanup and recycling programs to engage the public in trash reduction participation. The Town will utilize programs such as the "Shut Your Lid" program, which is designed to minimize the release of trash to public streets and waterways. The program will be assessed on an annual basis for program effectiveness.	10/16

MCM 2: Public Involvement and Participation

Use this space to add any additional information about MCM2:

G-3. MCM 3: Illicit Discharge Detection and Elimination (IDDE) Program

For MCM 3- Illicit Discharge Detection and Elimination (IDDE) Program, use the pull down menu to indicate the BMP Category (column 1). You may override the selection and type in your own BMP. Include a brief description of the BMP (column 2) including the personnel position or department(s) responsible. Describe the Measurable Goals (column 3) for each BMP. Column 3 should include milestones, timeframes and frequencies. Insert the month and year (MM/YY) in the Start Date (column 4) to indicate the date the BMP was initiated or enter your own text to override the selection.

BMP Category (enter your own text to override the drop down menu)	BMP Description (include personnel position or department responsible)	Measurable Goals (include milestones, timeframes and frequencies)	Start Date (MM/YY) (enter your own text to override the drop down menu)
Stormwater Sewer Mapping	Town staff will develop stormwater inventory GIS-based maps with all the Town's outfalls and pertinent stormwater data required by the Permit.	Town staff will identify locations of outfalls and other features of the basin and update the GIS-based maps on an annual basis.	10/16
Training	Town staff will develop materials for the IDDE program and use them to train public employees and the general public about illicit discharges and stormwater pollution prevention.	Annual staff training for appropriate Town personnel.	04/17
Implement IDDE Program	Town staff will develop and implement a plan to monitor and identify the source or sources of non-stormwater discharges, including illegal dumping, to the Town's stormwater system.	Town staff will conduct inspections of the appropriate stormwater outfalls and investigate any non-stormwater discharges. The results will be tabulated in the Annual Report.	04/17
Implement IDDE Program	The Town will enforce, to the extent allowable by state law, stormwater policies and requirements necessary to comply with this section of the Permit.	Through MCM-1 and MCM-2, Queen Creek residents and business owners will be educated on how to identify illicit discharges and how to report them to the Town's website. The process will be quantified on an annual basis and reported in the Annual Report.	04/17
Dry Weather Screening	Town staff will develop a dry weather screening program to identify sources of non-stormwater discharge during dry weather and eliminate the sources where possible.	Dry weather screening will be conducted on a regular basis and the results of the observations and any investigations will be recorded annually in the Annual Report.	04/17
Wet Weather Monitoring	Town staff will develop a wet weather observation program to observe storm events for evidence of illicit discharge and identify sources where possible.	Wet weather observations will be conducted four times per year at five priority outfalls. The results of the observations and any investigations will be recorded annually in the Annual Report.	04/17

Written IDDE Procedures	Town staff will develop written procedures for conducting the IDDE observations and investigation for both dry and wet weather.	The IDDE written procedures will be provided with the Draft SWMP for public review and will be updated annually as needed.	04/17

MCM 3: Illicit Discharge Detection and Elimination (IDDE) Program

Use this space to add any additional information about MCM3:

G-4. MCM 4: Construction Activity Stormwater Runoff Control

For MCM 4- Construction Activity Stormwater Runoff Control, use the pull down menu to indicate the BMP Category (column 1). You may override the selection and type in your own BMP. Include a brief description of the BMP (column 2) including the personnel position or department(s) responsible. Describe the Measureable Goals (column 3) for each BMP. Column 3 should include milestones, timeframes and frequencies. Insert the month and year (MM/YY) in the Start Date (column 4) to indicate the date the BMP was initiated or enter your own text to override the selection.

BMP Category (enter your own text to override the drop down menu)	BMP Description (include personnel position or department responsible)	Measurable Goals (include milestones, timeframes and frequencies)	Start Date (MM/YY) (enter your own text to override the drop down menu)
Site Plan Review	The Town will develop the written procedres for site plan review to meet the requirements of the Permit.	A plan will be developed to provide a review of plans submitted to the Town for construction projects so that the appropriate BMPs to minimize or eliminate pollututant discharges from active construction sites are in place.	08/16
Enforcement	The Town will review existing ordinances for applicability to the Permit requirements and edit or create new ordinances as necessary.	The existing ordinances will be reviewed in the first year of the program and edited as necessary. In subsequent years, ordinances will be enhanced as needed to meet permit requirements.	08/17
Inspections	Construction sites (as identified in the Permit) will be assessed for the appropriate pollution prevention BMPs as part of the existing site inspection program.	Town staff will continue to implement regular construction site inspections and record reports of illicit discharges/illegal dumping.	10/16
Education/ Public Involvement	Town staff will develop an educational program targeting the construction industry and developers.	Using resources by provided by groups such as AZWater and STORM, Town staff will provide opportunities aimed at educating developers and operators on BMPs and SWPPP requirements.	04/17
Inventory	Town staff will develop a process for tracking construction activities that disturb one acre or more and create an inventory based on the process.	Based on the process to be developed, the inventory will be updated on an on-going basis and documented in the Annual Report.	10/17

MCM 4: Construction Activity Stormwater Runoff Control

Use this space to add any additional information about MCM4:

G-5. MCM 5: Post-Construction Stormwater Management in New Development and Redevelopment

For MCM 5- Post-Construction Stormwater Management in New Development and Redevelopment, use the pull down menu to indicate the BMP Category (column 1). You may override the selection and type in your own BMP. Include a brief description of the BMP (column 2) including the personnel position or department(s) responsible. Describe the Measureable Goals (column 3) for each BMP. Column 3 should include milestones, timeframes and frequencies. Insert the month and year (MM/YY) in the Start Date (column 4) to indicate the date the BMP was initiated or enter your own text to override the selection.

BMP Category (enter your own text to override the drop down menu)	BMP Description (include personnel position or department responsible)	Measurable Goals (include milestones, timeframes and frequencies)	Start Date (MM/YY) (enter your own text to override the drop down menu)
Runoff Control Assessment	Town staff will review and evaluate Town Code for compliance with Permit requirements and integrate new processes that effectively address post-construction runoff and erosion control.	Town staff will develop a process for reviewing current procedures and codes related to long-term drainage and erosion control.	7/17
Inspections	A program will be developed to identify illicit discharges from existng BMPs that may be failing or not performing appropriately.	The inspection program will be integrated into the illcit discharge program (MCM-3) through inspections and annual reporting.	7/17
Inventory	Town staff will develop a process for implementing an inventory of BMPs for new development projects > 1 acre using As-Built drawings required from contractors.	Town staff will develop a process for tracking inventory that will be GIS-based, updated on a continual basis as construction projects are completed, and reported in the Annual Report.	7/17
Site Plan Reviews	In conjunction with the MCM-4 site plan review process, Town staff will review the existing site plan review process for new construction and update as necessary to meet Permit requirements.	The site plan review process will be assessed in year one of the Permit and on an as needed basis thereafter.	7/17

G-6. MCM 6: Pollution Prevention and Good Housekeeping

For MCM 6- Pollution Prevention and Good Housekeeping, Insert the Facility Name applicable to the MS4. Use the pull down menu to indicate the BMP Category (column 1). You may override the selection and type in your own BMP. Include a brief description of the BMP (column 2) including the personnel position or department(s) responsible. Describe the Measureable Goals (column 3) for each BMP. Column 3 should include milestones, timeframes and frequencies. Insert the month and year (MM/YY) in the Start Date (column 4) to indicate the date the BMP was initiated or enter your own text to override the selection. For those BMPs that are not Facility specific, use the rows after the Facility Name inserts.

BMP Category (enter your own text to override the drop down menu)	BMP Description (include personnel position or department responsible)	Measurable Goals (include milestones, timeframes and frequencies)	Start Date (MM/YY) (enter your own text to override the drop down menu)
Insert Facility Name: Town of Queen Creek			
Training	Town staff will develop a training program for Town personnel involved with operations and maintenance of Town facilities.	Appropriate Town staff will be trained annually on the procedures necessary to meet Permit requirements and new staff will be trained as part of the on-boarding process. The number of trainings will be quantified in the Annual Report.	8/17
Insert Facility Name: Town of Queen Creek			
Inventory	Town staff will develop an inventory of Town facilities that discharge and will prioritize the list based on risk.	The inventory will be developed in year one of the Permit and updated on an annual basis thereafter. The updated inventory will be documented in the Annual Report.	04/17
Insert Facility Name: Town of Queen Creek			
Written Procedures	Town staff will develop an inspection schedule and written procedures for assessing municipal facilities to meet Permit requirements.	Written procedures will be developed in year one of the Permit and updated on an an as needed basis thereafter.	10/2016
Insert Facility Name: Town of Queen Creek			
O&M Procedures	Town staff will review the Town's existing O&M program to determine effectiveness and improve as needed to meet the goals of the SWMP.	Town staff will review and develop an O&M Program to meet the requirements of the Permit and will modify the Program as appropriate.	8/17
Insert Facility Name: Town of Queen Creek			
Implement Controls	Town staff will implement BMPs to address stormwater pollution prevention as it relates to Town facilities. These BMPs include street sweeping, litter control programs, basin cleaning and other O&M practices.	Town staff will review the BMPs implemented for this MCM and quantify their frequency annually.	8/17

H. MONITORING		
1. DRY WEATHER VISUAL OUTFALL MONITORING		
Has a dry weather visual discharge monitoring program been developed?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
If the above answer is "yes," provide the actual date of implementation: If the above answer is "no," provide estimated date of completion:		Click here to enter a date. 5/31/2017
Estimated total number of municipal stormwater outfalls	Percent of total number of municipal stormwater outfalls to be monitored each year	
34	15%	
2.A VISUAL STORMWATER DISCHARGE MONITORING		
Below identify a minimum of five outfalls or field screening points for the visual stormwater discharge monitoring program		
Outfall or field screening point identification number	Name of receiving water	Is the receiving water listed as an Impaired, Not-Attaining or OAW (choose one)?
72	Sonoqui Wash	No
28	Sonoqui Wash	No
51	Queen Creek Wash	No
43	Queen Creek Wash	No
58	Queen Creek Wash	No
2.B VISUAL STORMWATER DISCHARGE MONITORING ALTERNATIVE		
Are you proposing a visual stormwater discharge monitoring alternative?		<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If "yes" a visual stormwater discharge monitoring alternative is being proposed, provide a description of the proposed alternative and how the proposed alternative is as effective as, or is more effective than, visual stormwater discharge monitoring in the space below.		
3. IMPAIRED, NOT-ATTAINING AND OAW MONITORING AND BMPS		
Part H.3 is to be completed only if the MS4 has outfalls that discharge to an Impaired, Not-Attaining or Outstanding Arizona Water (OAW), or a combination there of.		
Has a Sampling and Analysis Plan (SAP) been developed in accordance with permit Part 5.1.g?		<input type="checkbox"/> Yes <input type="checkbox"/> No
If the above answer is "no," provide an estimated date of completion for the SAP:		Click here to enter a date.

List each individual receiving water that is Impaired, Not-Attaining or an OAW that the MS4 discharges to	How many outfalls will be sampled?	List outfall ID or unique identification	List parameter(s) to be analyzed	Provide a description of how the selected BMPs will specifically address the pollutant(s) causing the impairments or how the BMPS will be protective of the OAW

I. NOTES AND ADDITIONAL INFORMATION

Use the space below to provide any additional information about the MS4 program.

J. FEES

Fill out either Part A for a New Permittee or Part B for an Existing Permittee. If a New Permittee, choose one check box below to indicate the MS4s population and applicable initial permit fee. Insert the total payment included with the NOI in the text box. If an Existing Permittee, choose one check box below to indicate the MS4s population. Note: The estimated MS4 population should be based on latest Decennial Census by the Bureau of Census.

<p>Part A</p> <p><input type="checkbox"/> New Permittee.</p> <p>I confirm the correct fee payment is included with the NOI.</p> <p><input type="checkbox"/> <or = to 10,000: \$2,500</p> <p><input checked="" type="checkbox"/> >10,000 but ≤ 100,000: \$5,000</p> <p><input type="checkbox"/> > 100,000: \$7,500</p> <p><input type="checkbox"/> Non-traditional MS4 such as hospital, college or military: \$5,000</p> <p>Total fee payment included: \$5,000</p>	<p>Part B</p> <p><input type="checkbox"/> Existing Permittee.</p> <p>No fee is required for NOI submission. You will continue to be invoiced on your current annual fee billing cycle.</p> <p><input type="checkbox"/> <or = to 10,000</p> <p><input type="checkbox"/> >10,000 but ≤ 100,000</p> <p><input type="checkbox"/> > 100,000</p> <p><input type="checkbox"/> Non-traditional MS4 such as hospital, college or military</p>

K. CERTIFICATION

Pursuant to A.R.S. § 41-1030:

- (1) ADEQ shall not base a licensing decision, in whole or in part, on a requirement or condition not specifically authorized by statute or rule. General authority in a statute does not authorize a requirement or condition unless a rule is made pursuant to it that specifically authorizes the requirement or condition.
- (2) Prohibited licensing decisions may be challenged in a private civil action. Relief may be awarded to the prevailing party against ADEQ, including reasonable attorney fees, damages, and all fees associated with the license application.
- (3) ADEQ employees may not intentionally or knowingly violate the requirement for specific licensing authority. Violation is cause for disciplinary action or dismissal, pursuant to ADEQ's adopted personnel policy. ADEQ employees are still afforded the immunity in A.R.S. §§ 12-821.01 and 12-820.02.

I certify under penalty of law that I have met the eligibility conditions of this permit and that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, I certify that the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I certify that I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.
