Hello,

We just received a letter from ADEQ confirming there was a release at the property **Street Address, Phoenix, AZ 85000**. We did already get a hold of **Insurance Company** regarding us removing and replacing our UST system and a adjuster for **Insurance company** had already been appointed. We have been sending all documentation received to the adjuster as well. However, we just wanted to make sure we are following all of the correct steps to file a claim for the property. Please contact me at XXX-XXX-XXXX if you have any questions.

Thank you,

John Insured
