

TANK SITE IMPROVEMENT PROGRAM (TSIP)

ARIZONA REVISED STATUTES § 49-1071

HISTORICAL SUMMARY

The information below summarizes all previous TSIP prioritization periods to date as of January 17, 2024.

Previous Prioritization Period Summary (UST Removal and Replacement, UST Removal Only, UST Modification, Baseline Assessment)

Period	Received/Requested	Funded/Approved	Percent Approved	Prioritization Score Range
Fall 2023	46 applications/approx. \$10.6 million	17 applications/approx. \$4.2 million	37%	85 to 70*
Spring 2023	69 applications/approx. \$15.5 million	18 applications/approx. \$3.7 million	26%	95 to 75
Fall 2022	91 applications/approx. \$23 million	26 applications/approx. \$7.1 million	29%	100 to 75*
Spring 2022	119 applications/approx. \$29 million	21 applications/approx. \$5.2 million	18%	100 to 80*
Fall 2021	135 applications/approx. \$35 million	26 applications/approx. \$7.2 million	19%	100 to 87

*Note: Funding did not allow for approval of all applications scoring 70/75/80 points; therefore, secondary scoring criteria were evaluated.

Not Subject to Prioritization:

Preapproval Suspected Release Confirmation Summary

Timeframe Received	Preapproval Received/Requested	Preapproval Funded/Approved
July 2022 – June 2023	21 applications/\$201,823.00	18 applications/\$330,727.66
July 2021 – June 2022	11 applications/\$191,826.95	10 applications/\$171,826.95

Non-Preapproval Suspected Release Confirmation Summary

Timeframe Received	Non-Preapproval Received/Requested	Non-Preapproval Funded/Approved
July 2022 – June 2023	6 applications/\$73,775.18	4 applications/\$48,760.43
July 2021 – June 2022	2 applications/\$23,948.58	2 applications/\$23,948.58
