

What You Should Know About Business Recycling

Why Your Business Should Recycle

- Recycling may provide opportunities for your business to save money
- Recycling helps conserve resources and extend the life of local landfills
- Recycling helps create a healthy environment for our community and future generations

How to Get Started

- Contact your local recycling provider
- Establish an on-site collection system for your recyclables
- Place materials in external container for collection
- Educate employees about recycling

Where to Find More Information

- Contact your local public works department
- If you are not sure who to contact, you can reach out to shaw.joseph@azdeq.gov
- Check Out ADEQ's Recycling at Work Toolkit azdeq.gov/recycling-work-recycling-toolkit
