Arizona Department of Environmental Quality

Date: Type date here
To: Solid Waste Permittees subject to fees under A.A.C. Title 18 Chapter 13
From: ADEQ Waste Programs Division
Subject: Waste Programs Fee Rule – Consumer Price Index Adjustments

Pursuant to Arizona Administrative Code (A.A.C.) Title 18. Environmental Quality Chapter 13. Department of Environmental Quality – Solid Waste Management Articles 4, 5, 7, 8, 10, 11, 12, 13, 14, 16, 20, 21, and 22 the amounts in subsections R18-13-402, 501, 702, 801, 1021 (CCR), 1103, 1211, 1212, 1213, 1306, 1409, 1410, 1606, 2002, and 2102 shall be updated annually before each July 1. This memorandum has been created in order to document the methodology for adjusting the applicable Waste Program Divisions Fees.

A.A.C. R18-13 Articles 4, 5, 7, 8, 10, 11, 12, 13, 14, 16, 20, and 21

Beginning July 1, 2026, the Director shall adjust the fee amounts in subsection(s) of this Section annually by the following method, except that no adjustment in any year shall exceed four percent of the fee amount of the preceding year:

1. *Multiply the amount by the October CPI for the most recent year and then divide by the October CPI for the year 2024. The October CPI for any year is the Consumer Price Index for All Urban Consumers, Phoenix-Mesa-Scottsdale, AZ, all items, published by the United States Department of Labor at www.bls.gov/cpi/regional-resources.htm, for October of that year.*
2. *Round the result from the subsection above down to the nearest cent. ADEQ shall post the new amounts on its webpage and install them in the billing software as soon as practicable.*
