Determination of No Further Remedial Action and Removal from the Registry

Harrison Road and Millmar Road Dross

The Harrison Road and Millmar Road Dross Water Quality Assurance Revolving Fund (WQARF) Site was listed on the WQARF registry in 2017. Upon listing, the Arizona Department of Environmental Quality undertook reasonable, necessary and cost-effective remedial actions necessary to address the release of hazardous substances that presented threat to public health and the environment. In 2019, Declarations of Environmental Use Restriction (DEURs) were placed on the effected parcel deeds to ensure maintenance of the remedy and prevent future exposure to the dross.

It has been determined that no further remedial action is required for the Harrison Road and Millmar Road Dross WQARF Site, pursuant to Arizona Revised Statutes (ARS), Title 49, Chapter 2, Article 5 and the Site is removed from the WQARF registry pursuant to ARS §49-287.01(K).
