## **MEETING MINUTES**

**ADEQ Staff Present:** Tara Thurman, Community Involvement Coordinator; Barbara Boschert, Community Involvement Coordinator; Jessica Abac, Remedial Projects Section Administrative Assistant; Eric Mannlein, Project Manager; Tina LePage, Remedial Projects Section Manager; and Wendy Flood, Remedial Projects Support Unit Manager

**Members of Public Present:** Elizabeth Zima, CAB Co-Chair; Barbara Keene, CAB Co-Chair; Rosa Pastrana, CAB Member; and Bob Frank, Jacobs' Global Environmental Solutions

Ms. Tara Thurman called the meeting to order at 6:17p.m. Ms. Thurman stated that due to the lack of quorum, the meeting would be a public meeting and not a CAB meeting. Introductions were conducted. Mr. Eric Mannlein gave an overview of the West Central Phoenix (WCP) North Canal Plume (NCP) site covering: recent groundwater sampling, data gap fill, installation of a Soil Vapor Extraction (SVE) system and the beginning of the Feasibility Study (FS). Mr. Mannlein explained the reasoning behind the *amended* Remedial Objectives (RO) for the site. The proposed RO were reviewed. The opportunity for public solicitation was provided; for which, no members of the public had any solicitations or comments.

Mr. Mannlein discussed the future work planned on-site, as well as the upcoming Proposed RO Report. The report will have a separate 30-day comment period. Ms. Rosa Pastrana asked a clarifying question about what phase of the WQARF Process the site was in; Mr. Mannlein explained the WQARF process.

Ms. Pastrana stated that she is planning an event in the community in February and would like ADEQ to participate; Ms. Barb Boschert offered to work with Ms. Pastrana to accommodate the request. Ms. Thurman called the meeting to close at approximately 6:50p.m.
