

ON THE RUN?

GET THE

Download the app and instantly help protect AZ waters

1

Go to an Arizona waterbody

2

**Take photos and make
observations**

3

**Submit! You've just contributed
to environmental science.**

It only takes a few minutes!
visit azdeq.gov/WaterApp

Data will be interpreted, approved and posted to an online data map for analysis and research. Your contributions allow ADEQ scientists to better discover and analyze water quality issues at the source.

With your help, we can keep Arizona's waters beautiful.

For translations or other communications aids, please email the Title VI Coordinator at idb@azdeq.gov.

Para traducciones u otras ayudas de comunicación, envíe un correo electrónico al Coordinador del Título VI al idb@azdeq.gov.
