

BE ON THE LOOKOUT

HARMFUL ALGAE MAY BE IN THE WATER CONTACT CAN MAKE YOU SICK

Algal blooms can contain toxins harmful to people and pets – especially children.

HARMFUL ALGAE CAN:

Look like pea soup or spilled green paint

Discolor or leave streaks in the water

Be surface scum, mats or films

Appear as green dots or globs floating below the surface

PLEASE TAKE CARE:

STAY AWAY from algae and scum in the water

KEEP CHILDREN and PETS away

DO NOT DRINK or use this water for cooking

WHEN IN DOUBT, STAY OUT!

Boating and fishing are acceptable, but people should take care to follow the advice above and avoid contact or ingestion of the water.
