Last Name	First Name	Question Asked
		If we already have an MSGP or DMGP, will we need to reapply with an
Hetherington	Jennifer	NOI or with the MSGP - reapply for an NEC?
		Hello, for MS4, will this change make a difference since non-WOTUS
Caballero	Blanca	waters were already included in the currently issued permit, correct?
Hetherington	Jennifer	Thank you
Clayiff	Raghda	Will this make a difference for the NEC permits?
		What is a WOTUS please do not usem my name.
		Is there a list available for all waters considered wotus? if we do not
Ordoyne	Samantha	discharge into a wqotus, do we still need an MSGP?
Kozakiewicz	Scott	Is this meeeting being recorded? An how can we access it later?
KOCH	ANTON	Do you have a list of non wotus protected waters
		Are the modification expected to expand the number of facilities that
Calo	Ben	would require coverage?
McCune	Justine	can you provide a link to the list of those protected waters?
		Will the new state protected waters expand the MS4's jurisdiction to
Martinez	Autumn	include non urbanized unicorporated areas?
Marx	Jeff	Why do we need an MS4 if we don't discharge to the WOTUS?
		Radical Simplicity certainly includes the elimination of jargon like all the
		acronyms. Please consider ways to get rid of those terrible terms. Plain
UMBERGER	NORMAN	English always works best. Thanks!
Navarrette	Martin	Where on the website is the list?
		When will the list of State Protected Waters be finalized? How frequently
Palumbo	Linda	will water bodies be added or removed from the list?
		Will there be a change to the minimum distance from a WOTUS protected
fogell	Bill	waters
Doskocil	Cindy	Does this apply to construction only or do wastesystems fall under this
		If a facility is currently under a DMGP and a determination has been made
		that there is no discharge to WOTUS, and the facility will not discharge to
		a Protected Surface Water, can the facility simply let the existing DMGP
Frist	Bernie	expire?
		any thoughts on the 2020 census resutls and changing of urbanized areas
kehoe	brian	for Phase 2 ms4 permitees
Dies	A al	This is to close the gap between last year's WOTUS re-definition and what
Rice	Andrew	we had during the last era's WOTUS definition, correct?
Doskocil	Cindy	What if the discharge is into an aphimoral wash?
Ordoyne	Samantha	What if the discharge is into an ephimeral wash?
		what about discharges to an ephemeral (which may not be protected
Kimball	Porai)that the permittee determines has the potential to reach a protected water?
Kimball	Berai	What is the impacet of ADEQ's new program on federal surface water
Clark	Robert	litigation such as the Gila River adjudcation?
Clark	NODELL	Do these permits only deal with discharges of surface water, or do they
		cover physical impacts to protected waters? ie installing a paved road
Bluemer	Paula	through a perenial wash
blueffiel	rauia	unough a peremai wasii

Mack David CGP and/or MSGP permits you plan to affect. Weisel Luis What is the impact to th large MS4 permits? Are the 'protected surface waters list' have similarities to the flow regimes list?' If so, how are they related?' If we have an MSGP, are we expected to submit an NOI by July 30th, when a new/revised MSGP will be effective only a few months later? Weisel Luis Outfalls, industrial facilities If we have an ephemeral waterbody in our City that is no longer a WOTUS, and is not proposed for State Protection but we believe it should be, would we comment during the public comment period? Doskocil Cindy What is the distance?	Wegener	Richard	
	Doskocil	Cindy	What is the distance?

Tappan	Jackie	I received an email from ADEQ that the permit expired on May 31st. This email says "To avoid a gap in your coverage ADEQ is providing a 60-day period to re apply." This is for a DMGP. So I need to re apply for this permit?
Wegener	Richard	Juristiction
v cacher	Menara	3411341641011
Mack	David	Why are we having this meeting today to discuss changes when it would have been better to have the meeting on the date of release and we could look at the permits and and discuss the structural changes made.
Malloy-Bradley	Kathleen	Can you clarify, if we need to renew our DMGP do we need a new NOI?
Kimball	Berai	Still unclear if I need to submit an NOI. Can this be explained again?
Boesch	Kevin	If a construction project will disharge to WOTUS and not protected surface waters, would the NOI be submitted to EPA or ADEQ (has regualtory jurisdiction changed with WOTUS definition change)?
Rice	Andrew	Will these new "protected" waters trigger a SWPPP review and fee if we're within a quarter mile a la "Impaired waters"
		What surface water quality standards will be applicable for state
Palumbo	Linda	protected surface waters?
rell		(This is Perhaps better suited to the upcoming survey you previously referenced) It would be really helpful for the attendees to see the other audience questions. Some of us are comprehend better visually. Additionally, in a matter of transparency, it would be good to see which
Killeen	Matt	questions are not answered.
Ross	Stuart	If there is a MSGP mining permit in place and an open Consent Order what is the effect if any on the deadlines in the Consent Order
NI.	5.4 × 11.	With the new proposed protected waters list, will there be a ephemeral
Navarrette Wegener	Martin Richard	exemption and/or do current exemptions carryover?
		Question answered just now Thank you, David You answered my question
Baker Rice	Amy Andrew	Thank you, David. You answered my question.
NICE	AlluleW	no the new protected waters
Ordoyne	Samantha	We dichareg into an ephimeral wash that ultimately discharges to a protected water on the adeq listis this still considered wotus under the new definition? Do we still need ther MSGP permit?
Rice	Andrew	will the new protected waters be treated as impaired waters?
kehoe	brian	how are ephemeral water address in the new state program
5.13 5		Will an MSGP facility that discharges to a DRAFT state protected surface water be expected to get permit coverage before the water body has
Palumbo	Linda	been confirmed to be a state protected water?

		I have Five Systems with a DeMinimus Area-Wide Permit. They are not in
		the myADEQ System. It appears that they expired in 5/31/2021. So, now
Lutz	Theresa	I need to enter them into the myADEQ.com site to renew them?
		I hopped on this call late. Is it going to be recorded or will there be
Nickel	Kathryn	another webinar date that is offerd?
Wegener	Richard	Can you give one example of a new state protected water
Pine	Ron	Thanksmy question was just addressed
Kimball	Berai	will you be reviewing BMPPs when the NOI is submitted?
Kimball	Berai	for current NOIs
Kimball	Berai	DMGP
Navarrette	Martin	Is there a specific list of modifications that can be reviewed?
Calo	Ben	The current MSGP allows mines and concrete plants to waive certain sampling criteria if discharing to an ephemeral wash. Will the modifications change this?
Rice	Andrew	for the modified CGP, will a construction project owner/operator need to submit the SWPPP to ADEQ for review if the project discharges to a new "protected water"? will there be a distance trigger for proximity to the new protected waters?
Leibold	Elizabeth	what is the schedule after July 30?
LCIDOIG	Elizabetii	For active MSGP facilities that do not need to file for a new NOI, is there a
		deadline to perform interal review and complete updates to the facility's
Jorrey	Ryan	SWPPP in order to maintain compliance?
,	,	Will you be accepting comments that apply to all permits in one letter, or will a separate comment letter be requried for each permit even if the
Hartline	Hilary	question applies to all permits?
		You mention there is no distance requirement to get coverage but at the same time say it depends on the possibility of impacting a protected
Navarrette	Martin	water, can this be more clear to help facilities make a decision?
Leibold	Elizabeth	So there is no need for a SWPPP or NOI for projects that do not discharge directly to WOTUS but discharges to protected waters?
Navarrette	Martin	What happened to the 2.5 mile trigger?
Chaldan	Magan	If I'm going to re-apply (NOI) for the DMGP, do I list discharge locations to protected surface waters that aren't in effect just yet? Or limit the NOI to
Sheldon	Megan	WOTUS for now?
		Are there any modifications to current MSGP monitoring requirements for
fogell	Bill	posting to MYDEQ for discharge from an aggregate mining site?
rogen	Dill	What is happening with Individual AZPDES permits - for example, if a
		facility discharges to a canal system? Does the new surface water rule
Zito	Lori	impact these facilities?
		If a facility sits next to an effemeral water, that only runs in response to a
		rain event, and if that water is added to the protected water list, will that
Rice	Andrew	facility need to then draft a SWPPP and apply for the NOI?

		can you greate a flow short with yoris as seem wise that falls as a rest
Laibeld	Flinehart	can you create a flow chart with various scenarios that folks can use to
Leibold	Elizabeth	understand NOI and SWPP requirements?
Baker	Melissa	Great idea!
		How about a summary of instances where companies who currently have
Ordoyne	Samantha	MSGPs would no longer be required to hold one?
		Are there any changes anticipated based on ongoing PFAS conversation?
Buboltz	Chris	Sampling? etc?
		How do we challenge a stream erroneously shown as perennial on
Angueira	Tony	eMaps? There's a bone-dry stream near me shown as perennial.
,Bac a	10114	Will the response to questions discussed today be available for review for
Weiss	Norm	stakeholders who may not have been in attendence?
VV C133	NOTH	·
NI	D.A. all'a	I'm assuming nothing happens to the permits when the WOTUS rule
Navarrette	Martin	changes back to Obama era?
