

Waters of Arizona COMMENT FORM

This comment form can be completed online: azdeq.gov/woaz or complete and email to watersofarizona@azdeq.gov.

Please circle the meeting location: Flagstaff Phoenix Tucson

PROGRAM GOAL

Please indicate your agreement with each of the following draft goals which were drafted based on stakeholder input received in November 2019.

	Strongly Agree	Agree	Disagree	Strongly Disagree	Don't Know
All current and future Arizonans may use and enjoy Arizona waters					
The program reasonably protects uses including domestic, agricultural, industrial, recreational, and environmental uses					
The program protects public health and public water supplies					
The program regulates activities and pollutants when they would harm water use					
The program prevents and abates harms to water uses					
The program protects exceptional Arizona waters					

Other Goal(s): If you have another suggestion for a program goal, please print below.

GUIDING PRINCIPLES

Please indicate your agreement with each of the following guiding principles which were drafted based on stakeholder input received in November 2019.

	Strongly Agree	Agree	Disagree	Strongly Disagree	Don't Know
The program is sustainable for the long-term					
A robust, transparent stakeholder process influences Department decisions					
The program is implemented consistently and fairly to all					
The program does not duplicate other state regulations					
Strong and predictable penalties and enforcement promote and ensure compliance					
Applicable permit programs are streamlined and flexible					
The Department uses cost-effective and reliable data sources to monitor threats to water uses					
Regulated entities know what the program requires because regulations are clear					
The program allows for environmentally sustainable economic growth					
Credible scientific data guides water use protections					
The program cooperates with other states, Tribal Nations, and the federal government to protect water uses					

Other Guiding Principles: If you have another suggestion(s) for guiding principles, please print below.

PROTECTING USES

Please select one of the three uses identified by the stakeholders and answer the questions in this section.

Please circle your chosen use: Drinking Water Recreation Irrigation

What impacts this use?

How would you determine the risk of a discharge from one of your identified impacts affecting this use?

MEETING EVALUATION

Please rate your agreement with the following statements.

	Strongly Agree	Agree	Disagree	Strongly Disagree	NA
Meeting was a valuable use of my time	<input type="radio"/>				
Clear and understandable information was presented	<input type="radio"/>				
Stakeholder process will provide me an opportunity to participate	<input type="radio"/>				
ADEQ wants to hear my input and it will make a difference	<input type="radio"/>				
The location was a good venue for the meeting	<input type="radio"/>				

What was the best thing about today?

What should be changed for future meetings?
